15. Multidisciplinary / interdisciplinary

Interdisciplinary approach demands an multidisciplinary combination. Multidisciplinary approach draws on knowledge from different disciplines but stays within their boundaries. Interdisciplinary approach analyzes, synthesizes and harmonizes

links between disciplines into a coordinated and coherent whole. Rammohan College is sincere to provide a way of learning which gives a major focus on diverse perspectives and different disciplines of learning to illustrate a theme. Conceptual orientation with a holistic approach is made through multiple viewpoints of more than one discipline.

Being an affiliated college, Rammohan College has to abide by the structure and regulations prescribed in syllabus and subject combinations by the University of Calcutta. With the inception of NEP, efforts are being made to adapt to the requirements of the new syllabus which paves the way for the students to optimize their learning potentials.

Multidisciplinary/ Interdisciplinary - a) The plan of the college is to enable students from the streams of Commerce, Science and Humanities to take up at least one subject from a different stream than their major. b) The institution is geared towards offering a multidisciplinary form of education by allowing students to take up one major area of study along with two minors which can be chosen from a wide variety across 17 subjects. Students of Geography as a major can now study the STEM subjects of Botany and Zoology, which arrangement was earlier not possible. c) The college offers not only credit-based courses but also community engagement programmes through the NSS activities, NCC (which will start this semester) participation. d) Students can avail themselves of exit options at the end of 1, 2 or 3 years with full access to all these activities. e) Multidisciplinary research among departments to be encouraged. f) Academic collaboration with other institutions through MOU and exchange programmes will promote the multidisciplinary/ interdisciplinary approach.

16.Academic bank of credits (ABC):

1) The college is guided by the affiliating university to fulfil the requirement of ABC. 2) Multiple entries and exits can be easily done by ABC. It organises social outreach initiatives through NSS activities. Soft skills in communication are imparted through workshops held collaboratively. d) The college plans to invite industry veterans from different sectors to upgrade the vocational skills of students according to their aptitude.
