### About the Certification Course :

Department of Commerce , Rammohan College is willing to conduct a self-financed certification course in Tally, GST and E-filing of IT Returns , etc. for 6<sup>th</sup> semester students of the department in association with ETUDIER , AN INSTITUTE FOR LEARNING OF PROFESSIONAL COURSES. Total duration of the courses is 40 hours within a period of three months.

The classes will be held in the IT lab of our department which was well equipped with 10 desktops in N.S. Building. 68 students already registered into this course by paying Rs.400/- each. So the department arranged two batches for the students. The list of these two batches is attached herewith. The courses will be conducted by the faculty members of Etudier & Tally. Professor Sanjay Ranjan Dey will conduct E-filing of IT returns while Professor Priyam Pal will conduct Tally.

Organising such value added courses, the department of Commerce is very much hopeful about a successful and assured future of our students for their professional career. Due to lack of time the classes will also conducted during summer recess and holidays.

The courses have two aspects.

1. It will help the students for getting jobs in this professional world.
2. The final year students have these papers in their graduation courses also. So the practical experience will help them in their final exam too.
