Sub: Request for arrangement of carcass van for the disposal of dead experimental animals

Madam/Sir,

I would like to inform you that there is a research wing in Rammohan College where animal research is regularly going on. This is also for your kind information that this animal research has already been approved by the Institutional Animal Ethics Committee (IAEC) duly registered by CPCSEA, Ministry of Environment, Forests and Climate Change, Government of India.

According to the suggestion made by the said IAEC, Rammohan College, I would like to request you to arrange for one small carcass van for the disposal of dead animals from the college building, as and when necessary.
